

Drive Electric Week 2021

FRIDAY, SEPTEMBER 3

CITY MARKET

3:30PM - 8:30PM

RPC staff will be on site to engage with the community, showing an electric charging demo, electric vehicle tour, and explaining upcoming Drive Electric Week events.

IN PERSON EVENTS

In person events will feature electric vehicle test drives, charging station demos, local stakeholders discussing their role in electric vehicle adoption (related to technology, equity and access), and a RTMD hybrid bus tour. Additionally, free ice cream will be available (while supplies last) amongst other food trucks, a bounce house, a craft table and live music.

SATURDAY, SEPTEMBER 4

MACHESNEY CROSSINGS SHOPPING CENTER

10 AM - 2 PM

SATURDAY, SEPTEMBER 11

ROCKFORD PUBLIC LIBRARY (EAST BRANCH)

10AM - 2PM

SUNDAY, SEPTEMBER 12

BOONE COUNTY MUSEUM OF HISTORY PARKING LOT

3PM-7PM

COLLABORATIVE PLANNING FOR NORTHERN ILLINOIS

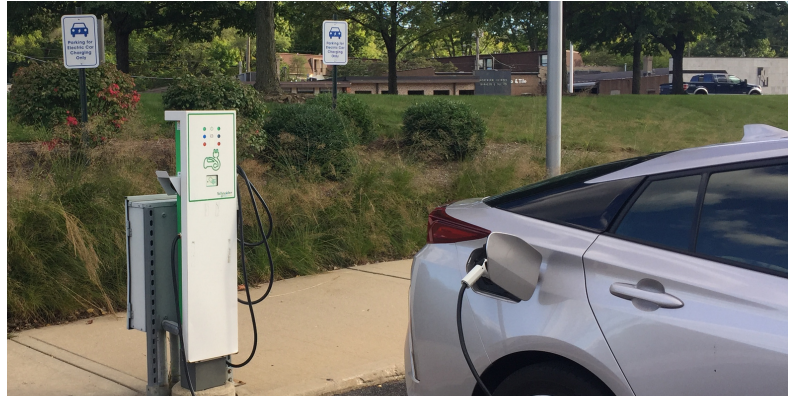

An Exelon Company

VIRTUAL EV RIDE AND DRIVE

THURSDAY, SEPTEMBER 9
VIA FACEBOOK LIVE

Virtual EV Ride and Drive
10:30AM - 12PM

The Virtual EV Ride and Drive event will be a live stream of a test drive. This allows viewers to virtually tour an electric vehicle, learn about its components and charging infrastructure while asking questions and receiving answers in real time.

VIRTUAL POLICY PANELS

THURSDAY, SEPTEMBER 9
VIA ZOOM

National EV Policy Panel
2PM - 3PM

This afternoon event will have panelists discuss new programs, technology, development and policy related to electric vehicles and charging infrastructure on a national level. This panel will also have a question and answer session.

THURSDAY, SEPTEMBER 9
VIA ZOOM

EVs in the Rockford Region
3PM - 4PM

This afternoon event will have local public and private sector leaders discussing future sustainability efforts and initiatives in their jurisdiction, potential incentive programs and long term goals, along with a question and answer session.
